Ho-ho-holidays

Santa took time out from his busy pre-Christmas schedule last week to drop by the Adopt-a-Family celebration hosted by the Sutphin Boulevard Business Improvement District at the Jamaica Performing Arts Center.

The celebration matches families in need with sponsors who provide for some of the families' tangible needs during the holidays. The event featured games, music, enter-

tainment, activities and food.

Sponsors included City Rib and Sangria Tapas restaurants, the Greater Jamaica Development Corp., NSA Supermarkets, Capital One Bank, GEM Pawnbrokers and Well-Being Fish and Deli, as well as individuals interested in helping out in their community.

And all of the children were on Santa's "Nice List."
